COMPANY PROFILE

EcoOil operates more than 150 retail stations located strategically in key islands of the country. Expansion continues with its flagship stations coming to the North Luzon Tollway and EDSA; bringing affordable and high-quality fuel products to every Filipino.

EcoOil aims to empower Filipino motorists by fueling the genuine Filipino spirit and passion through its core values anchored on reliability, quality-service and safety, and at the same time, offering beneficent promotions that will help uplift their livelihood.

Ecology Energy is a strong partner in nation-building through its unique "cardinal" approach in its retail business engagement by helping aspiring entrepreneurs achieve their dreams. With this, EcoOil focuses on Fueling the Filipino Drive.

VISION

To be the leading Filipino-owned retail brand in the Philippines' petroleum industry.

MISSION

EcoOil aims to Fuel The Filipino Drive by uplifting the Filipino spirit through its core values: reliability, quality-service and safety. Raising industry standards by fostering livelihood through attainable offerings and promotions.

Grow your business at EcoOil. Become a dealer today!

Build your dream gas station through an EcoOil franchise. Pick a dealership opportunity that suits you.

Dealership Formats:

Dealer Owned Dealer Operated Station (DODO)

Dealers that have a pre-existing/existing station who are interested to carry the EcoOil brand by dressing-up their station in accordance with EcoOil's branding. EcoOil will be responsible to dress up the station. In line with this, an exclusive supply agreement is required with highly competitive price offers under wholesale pricing. Note that EcoOil can extend the credit line of dealers using the station as collateral.

Operator Qualifications:

- Good social and moral character
- Owns an existing/pre-existing station

Company Owned Dealer Operated Station (CODO)

Dealer deposits Php 800,000 as cash bond. The cash bond serves as the credit line for the dealer's working capital. The maximum credit term is 30 days.

Operator Qualifications:

- Good social and moral character.
- Financial investment amounting to 1,000,000.00 pesos that serves as a cash bond.
